

AD FEATURE: Ready to launch your own business in 2024? Now's your chance!

Is being your own boss one of your New Year's resolutions? This is one promise to yourself you'll be able to keep!

[Access4Lofts](#), an award-winning franchise specialising in loft access and storage solutions, is looking for new partners in your area.

It's a simple concept, with huge potential. You'll be helping people utilise wasted space by providing quick, easy and affordable loft access and storage solutions.

Access4Lofts franchisees have been enjoying their busiest year ever in 2023, with sales continuing to rise across more than 75 different territories.

Franchise owners start on their own with a single van, performing installations themselves.

Some stay that way, finding the flexibility and independence suits their lifestyle.

However, many have now seen enough demand to expand to multiple vans and start taking on employees themselves.

Indeed, the largest franchisee now has 10 vans covering their area!
