

Legal tech start-up expands with Birmingham office launch

A legal tech start-up which works with clients to help them prevent fraud and reduce risk is expanding with a new office launch in Birmingham.

Verify 365 was founded in Stratford-upon-Avon two years ago and provides services which aim to streamline and simplify legal processes for businesses of all sizes and helps them verify clients' sources of wealth and conduct checks in minutes.

It works with a broad range of businesses including law firms, estate agencies and financial companies and is now initially basing a team of four in the city at 55 Colmore Row as part of its long-term growth plans.

Co-founder Azeem Rashid said: "We are thrilled to be expanding our reach and setting up an office in the heart of Birmingham. This city is a hub for advanced tech firms and we are excited

to be part of its growing community.

“We are committed to using our innovative legal tech solutions to help businesses navigate complex regulations and compliance issues and we can’t wait to see what the future holds for our company in the UK and beyond.”

Co-founder Rudi Kesic added: “Verify 365 is excited to be at the forefront of this technological revolution and is proud to be opening a new office in Birmingham as part of its expansion plans.

“The company’s rapid growth is a testament to its commitment to innovation and customer satisfaction and we are delighted to be contributing to job growth and the future of digital identity and client onboarding.”
