

Inflation hits 40-year high – who's hurting the most? And could upskilling tackle labour shortages?

On the Ian King Business podcast we have the latest assessment about inflation – reaching a 40-year high – and ask if it'll get worse; there's also Planet Organic's CEO on the impact of rising costs on their prices; the chief executive of Zilch talks about expanding into the US; and discover why Legal & General is investing £4bn in the West Midlands.
